\* Note 1: On May 30, 2006 I received an email from Carol Doucet, President of "les Doucet du Monde", stating... "This most probably should be Jean PREJEAN (PRIJEAN). Compare this to the entry for JEAN PREJEAN and ANDREE SAVOIE and their family in the 1698 census. The names (given names of the parents are the same), the names of the children match very well, and the ages are reasonably close."

Carol Doucet, president

Les Doucet du Monde

\* Note 2: Can anyone prove (or disprove) the above-noted? Please advise.
